bill before we bracket the bill if we could.

PRESIDENT: Senator Syas.

SENATOR SYAS: I move the amendment be adopted. You can read it then I'll tell you what it is all about.

CLERK: Read amendment

SENATOR SYAS: I move that the amendment be adopted. Here is the explanation. 767 passed and it was a bill given to me by the Game Department after it was passed and signed by Governor, they noticed that they took out, by accident, the Game department did in the bill the right of the antelope the person that lives on a ranch or farm in antelope territory or the owner who lives on the ranch or farm, they took out his rights to get one of these land owner permits by accident and this merely corrects the error and I think that it is quite an error on 767. So we are not doing anything that we didn't intend to do to begin with. The only thing is that there is a big mistake in this and this will correct it.

PRESIDENT: Did you wish to speak Senator Anderson?

SENATOR ANDERSON: I would just like to indicate that this is my bill that we are putting it on, and Senator Syas and I have discussed this and I do approve of the amendment and putting it on my bill.

PRESIDENT: Those in favor of the amendment on 865 vote aye, those opposed vote nay. This is a correctional amendment to the bill. Please pay attention to the voting. Clerk will record.

CLERK: 26 ayes, 0 nays and 23 not voting.

PRESIDENT: Motion is adopted. Now we are ready to move.

SENATOR CAVANAUGH: Move LB865 as amended to E & R for engrossing.
